

Building School Equipment The Grand Rapids Way

Lumber carefully air dried before putting through the Dry Kilns.

Stock worked on machines especially designed for our needs; assembled and finished by Cabinet Makers, not Carpenters.

That's
THE GRAND RAPIDS WAY

Full details of sizes of stock, character of lumber used, with complete description of special features, are found in our new Catalog No. 16.

No. 55

Grand Rapids Hand Screw Co.

Makers of Benches, Drawing Tables, Tool Cabinets, and Special School Furnishings.

616 N. Front St., Grand Rapids, Mich.
